Please answer the following questions in a complete sentence. Then use the sentences to write a story about fossils.

1. What is a fossil?

2. How do you find a fossil?

3. What do fossils tell us?

4. What else do you know about fossils?

On the attached paper, write a story about fossils. Use your answers to the questions above to help you.

Don't forget:

- use details (tell me MORE).
- Use correct punctuation, capitals, and spelling
- Write neatly
- Re-read your story and make sure each sentence makes sense
