

Alexander, Who Used to Be Rich Last
Sunday

(Tune: Farmer in the Dell)

I used to be so rich
My pockets even itched
Good-bye to money then
I lost it in a ditch

I bought some bubble gum
My brother said I'm dumb
Good-bye to money then
I guess I'll be a bum

I tried to save it so
Each time I had the dough
Good-bye to money then
For I'm a crying woe

I absolutely saved
And positively raved
Good-bye to money then
So sadly as I waved
