

**The Three Billy Goats Gruff**  
**(Tune: Three Blind Mice)**

**Three Billy Goats (echo)**

**Billy Goats Gruff (echo)**

**Goats crossed to the grassy knoll**

**Under the bridge lived a mean, mean troll**

**He was truly a lonely soul**

**Oh, Billy Goats Gruff**

**Three Billy Goats (echo)**

**Billy Goats Gruff (echo)**

**“Who’s that trip-trapping on my bridge?”**

**Billy Goats answered, “Just wait a ‘tidge’.”**

**“My big brother’s just over the ridge.”**

**Oh, Billy Goats Gruff**
