

Firefighters (chant)

**Firefighters, Firefighters,
Our hats are off to you
You work so hard to keep us safe
We thank you, yes we do!**

**Early in the morning
Someone takes roll call
All the firemen present
Are really on the ball!**

**There are many jobs—
Many jobs to do
Cooking washing, cleaning, checking
Being a watchman too!**

**Always, always learning,
You need to read a map
Once your chores are done
You get to take a nap!**

**Wheeeee—the alarm goes
It could hurt your ear
Sliding down the pole
You dress in all your gear!**
