

Mrs. Goose's Baby (Tune: Itsy Bitsy Spider)

Goose found an egg,
And kept it safe and warm
Dreamed of her baby
Living on a farm

The baby was yellow...
Not at all like mom
But Mrs. Goose still loved her
And kept her very calm

Mrs. Goose did "honk"
While baby sounded "cheep"
Mrs. Goose ate grass
Which baby wouldn't eat

Mrs. Goose would swim
While baby sat and played
But Mrs. Goose didn't care at all
Didn't even make her wade

Mrs. Goose's feathers
Were smooth and they were white
Baby's feathers brown
So they were not as light

Mrs. Goose had webbed feet
Baby—pointy toes
But Mrs. Goose still loved her
That's how the story goes
